Dear Sir:

This paper responds to the Office Action mailed August 23, 2006.

The proceedings herein are for a patent application and the provisions of 37 C.F.R. 1.136 apply. Applicant believes that a two month extension of term is required. However, this conditional petition is being made to provide for the possibility that applicant has inadvertently overlooked the need for a petition for an additional extension of time.

Respectfully submitted,

Buchalter Nemer, A Professional Corporation
